

# THE DEATH of Johnny ACE

Johnny Ace, died in 1954 right after the Civil Rights Movement in Memphis, Tenn. The target in the head was clearly John, it was the 1950s when a white man would  
shoot a black man in the back of the head and the black man would die. The man in the red suit is clearly the man who shot Johnny Ace. The man in the red suit is clearly the man who shot Johnny Ace.
